

Collections

Movie /DVD /Books on tape rentals
Mobile shelving
Display space
Up to date technology books
Display area for kid's & teen's art work
Place to display artwork
Aquariums
Historical area pertaining to Elbert Co.
Places to display art - local artist works as well as children's work
Set up displays of new or popular books at front of library and/or just inside teen area
Rotating exhibits
Place for educational display
Like book sale idea
Art, Art, Art

Sitting & Reading

Fireplace (gas)
Like shaped for shelving in this big space
Hope the windows are wonderful because of great shell & great vistas
Didn't care for the colored glass panels
Fireplace, Coffee Bar, Lounge Chairs &/in Seating areas
Nice sliding barn doors
Probably need rocking chairs inside as well
Brighton - large ceiling & floor shapes might be good for our bldg.
Fireplace, Coffee Bar, a Great View
Dolores Senior room, liked the really warm & cozy look
Senior Area
Windows & views to Pikes Peak from a balcony or mezzanine
Conference Room with place for preparing coffee, etc.
Fireplace, windows to enjoy the mts.
Tutoring, Kids, Math, Adult Spanish, Math Club, computers
Group Study areas
Liked all the wood in Bennett - very cozy
Oak Park Lib. children's furniture - good idea
Reading area w/ sitting (like Brighton)
Window seating
Louisville gallery idea
Space that local org. can use for display - quilts
Graphics on wall w Chicago Library - wall tatoos - great - what about murals?
Like Dolores meeting room glass
Seating areas near special viewing areas very nice - place where students can work with mentors, etc
Area to view the countryside yet read
Reserved study room concept
Do not like meeting room in Louisville too sterile
Nice to have space where you can have hot cocoa - not tea etc - conversation - collaboration
Like idea of moving shelving
Coffee Bar
Fireplace

Quiet Study

Soft reading chairs

Sound proof walls

Warm & interesting study booths or niches - not sterile & cold

Space in Steamboat - comfortable dining room space has very nice feel - need rooms that are like that

Warm & inviting - tranquil

Study nooks

Study rooms w/door enclosed w/ windows

Wi-fi in every study pod or quiet area some walled quiet study areas and some open niches

Work tables

Semi enclosed study area in Pueblo West

Small area where one person can study or read - BOOTH

Quiet study like Oak Park Library

Youth room

Area where person can sit & read with cup of joe

Easy chair reading area

Place for friends

Open study rooms

Study capsules in Amsterdam were interesting

Like comfy chairs

Like meeting room art gallery

Mini study rooms for Middle School & High Schoolers

Like open study room

Like high ceilings

Programs

Workshop area

Large magazine display

Excellent lighting

Business Center or Theater Room

Free Chocolate!!

Yoga Room

Café

College & Career Resource Center

Good Meeting Room Space

Talking area

Community Conference Room w/ projection screen & sound system & smart boards

Coffee/ Tea

A great meeting area with windows would be great for the community

Need place for Elizabeth History - photos/ oral history, etc

Community meeting spaces

Art display area photos & paintings by local artists etc

Movies/ CDs

Meeting Space - Art Gallery - Promotion/ New Screens - Tutor/ Meeting Reserved Room

Easy to find special sections i.e. Medical, Travel, etc

Used Book Sale Area

Small Farming Program

Crafting Areas - Teaching quilting, knitting, etc groups

Self checkout

Several meeting rooms

Kitchen - cookbooks - cook classes

Teens

Mesquite teen area - don't care for

Teen art gallery great idea

Gaming room

Black room teen friendly

Like computer bar for teen

Like PS Miller teen room

Art exhibit are for teens

Like Evanston, IL teen area & table

Teen section with large reading area with couch

Booth - teen area?

Teen space - anything to bring them in to learn & read & interact

Set up teen area to be a lounge where they can hang out as well as find books

Teen Area

Very comfy chairs for teen area

Teen graffiti wall very cool teen art exhibit

Separate sections for non-fiction and graphic novels in teen area

School Kid Art

Like idea to get attention of teen study group area

Children's Collection

Books for children in front

Kids writing books published for other kids to checkout - teens too

Craft room for kids

Kids area upstairs

Children Area - Rubber Floor - Craft Room - Barn Doors

Animal head coat hangers

Walls that are easy to hang things

Like the circle children area

Consider making kids area a very visual place in terms of decorations.

Posters or displays of popular authors or series.

Colorful paint on walls or murals.

Seasonal displays & decorations

Puppet and games corner in children's area

Separate children's area

Rubber floor!

Kid - sized furniture.

Closed door room for story hour.

No exterior exit to kids' area - one door in from library so parents can keep eyes on kids from main library

No tv's in kids area - go to the library to get away from this

Science /construction projects - legos - sand - gears - water - follow directions

Adult only computers in kid area so we can work while they play - bean bags/ rocker recliner, floor loungers for restful reading

Game area/ puzzle area

Lake Terrace Library- semicircular bench

Dramatic play area in children's area w/kitchen, baby dolls, blocks, etc

Big books

Baby changing stations in bathrooms

Stage to act out stories and books
Children's Attic in Mezzanine
Maps - lines on floor - local, county, state, US, world
Like tattoo idea for kids - use good color for kids
Story time - a must for kids
No computer in kids area
Meeting rooms for public
Like Grandma's attic in Salt Lake Library
Maybe irregular glass window in kids section - take advantage of views but create visual
Need kid size furniture in children's section
Niches for kids

Staffing

Central Staffing area
Keep 'em - love them all, staffing levels in existing library always seems adequate
Well designed office staff
How to expand "Friends of the library" group to encourage wider library support from the community
Meeting rooms big enough to hold annual book sales and hold big meetings w/ kitchen
Friends book sale area as well as storage area and easy area to accept donation w/o going thru the library
Drive up book drop & service, good idea

Outdoor Spaces

Lots of parking
Outdoor space w/ shade & comfy places to sit & read
Art issue benches on front
Outside book return - drive thru?
Outdoor seating
Low water landscape
Outdoor Seating
Any way to tie into the Elizabeth 86 project for trail access to/ from Walmart? 303.941.6901 Karl Nquist - CA Companies
Outdoor space ideas are exciting - Room to grow = public art, seating - plants, landscaping
Front porch with rockers is super
Shade
Park - we don't have one
Sculpture garden
Fountain, Benches, Landscaping
Front porch nice, outdoor design should be quiet and take advantage of the vistas (I think)
Benches seating
Bring outside inside
Covered patio
Large window over lookin greenery
Keep majority of outdoor space away from pkg lot
Zeric Landscape, Benches & shade, water feature outside, bird feeders, café like Castle Rock
Garden area for outdoor sitting or meeting
Bike rack- for parking & locking up bikes
Outdoor space if you can make it work out here - that would be wonderful
Front porch
Greenhouse, Mtg Room/ Gardening Center

Outdoor seating area protected from the wind
Front porch with rockers

Technology

Lots of computers everywhere
Wifi next generation w/ plugs
Technology lab: modern computers arranged for individual or class room instruction
Carbon negative bio refinery to produce to library power
Community computers
Technology - computers for research
Computer labs
Open space computer lab
Smart white boards
Automated computer reservation system
RFID Collection
Computer lab for class offerings
Adequate computers
Computer lab room - what about video-conferencing, distance learning?
Free Wifi
More computers - computer lab?
Auto check in of how expensive books - like
Media Room
Meeting room for seniors
Like computer lab - adult education
Automatic book return
Computer lab/ public computers
Computer lab. Glass - barn door them
Cyber Café
Tech - computer class

Security

Stacks - not too high
Stacks - low shelves are hard for older people to access - hand rails help us get off our knees
Security computer use not too much
Kid's after school as retail business
Windowed areas to see from one area into another

Sustainability /LEED

Like the solar lighting /heating ideas already used great potential here
Lots of natural lighting & skylights
Decorative pendant fixtures
Lots of windows, green roof /potential outdoor space
Beetle kill wood
Drywall from Gypsum Colorado
Giant Ceiling Fans
Outside Lighting
Skylights
Energy Conservation or Alternative Energy Features
Recycled Construction Materials
Skylights to allow natural lighting
Lots of windows for natural lighting

Solar panels on roof to generate some energy used by library
Save energy - Do it
Like solar design idea

Miscellaneous

Like friends area for sales etc.
Elevator handicap access
Great shell - great vistas
Saddles for chairs
Wind & Solar
Lease Space
Coffee Shop
Don't like floor signage
Use ceiling height, shelving, & furniture to help define spaces instead of walls
Fireplace - yes
Love art displays in libraries
Hang forms from the ceiling
Use height - take advantage of open space - mobiles (a la calder) sculpture inspiration from region
Open feel to library
Public meeting rooms for up to 30 people w/computer access & projector
Hang artwork &/or maps from the high ceiling
Flooring varieties - rubber - colors
Seating areas
Used book area
Elizabeth history sec.
Windows/natural light
Bennett Library design (Beetle Kill Pine)
Rustic look
Books on tape
Like cyber café
Wow factor when people come in
Message board
Carved Door by local artisan is a super idea
Rest rooms - bright large
Place for community event on Sat. night eg: like present Carlston Building
Focus (&Budget) on Technology
Beetle Kill finish is pretty & eco friendly
Internet is key - but in a separate area
Smart board is a wave of the future
Teaching/conference area look great
Colored glass
Have the library reflect the area in design
Easy to clean
Decor related to different ethnic groups
Carpet for sound proofing
Meeting rooms variety
Drive-up book drop or at least close to the parking lot so you can keep the kids in the car
Large Meeting Room with Kitchen Area
Volunteers
Lighting right over shelves

Meeting rooms
Programs
Take advantage of views
I want people to walk in and say - "Wow. This is my library."
Arts & Crafts
Resources & work area
Circular stairs
Colorado statute, case law & index electronically
Movies to check out
Rural Themes
Rolling shelves very good idea!
Location is nice
Barn door great, this area has lots of ranches & farms
The Library is bright - lots of light - many windows
Meeting rooms to hold noisy meeting ie. Craft clubs, teenagers, children w/ outside access for after hours
TV rooms (space for wii?)
Barn doors to close off big rooms
Cast iron stove /fireplace
West windows protected by blinds to reduce solar heat
Comfy gathering of chairs in several locations
Separate children's area
Separate Teen room /PS Miller Library
Create a sense of space unique to Elizabeth
Make special spaces between spaces - corridors - with art
Display artwork of local artists
Fireplace is a great idea
Granby Library with fireplace by huge windows is lovely
Community events bulletin board
Natural materials create warmth & Colorado inviting areas
Maintenance and cleaning supply storage area
Light - lots of light
Like fireplace
